Solidarity membership

Our 2019 solidarity membership campaign has one key goal: **the care of 300 children and young people who have lived in or been in the street or prison (80 more than in 2018).**

At Village Pilote that doesn't only mean getting off the street, it also involves a journey in which you can take part.

HOW WE TAKE CARE OF CHILDREN & YOUNG PEOPLE

- > Identification of vulnerable youth in the street and in prison
- > Reception & accommodation
- > Medical care / hygiene
- > Food
- > Clothing
- > Sports and cultural activities

- > Schooling / literacy
- > Education on citizenship and global solidarity
- > Raising awareness of environmental issues
- > Returning the youngest children back to their families
- > Giving teenagers vocational training (10 professional activities)
- > Professional integration outside of the camp

Solidarity membership to Village Pilote means taking part in a virtuous process of rehabilitation (social, school, professional and family) in order to give children from 3 to 25 years old a better future.
